

## Hose Connector Assortment 38pc

Assorted coolant hose connector selection, suitable for hoses from 8mm up to 32mm ID. Unlike many other kits on the market, we have included two of each connector in the box. These connectors are both fuel (petrol & diesel) and temperature safe (-30 to +140C). Ideal for fluid transfer and for use as part of a radiator hose repair.

### Additional Information

- 38 piece straight, elbow & T-piece joiner kit for coolant hoses.
