

Slotted M-Case Fuse 20A 2pc

A pack of 20 amp M-case slotted fuses, designed to fit on a larger male terminal than a standard unslotted M-case fuse. Used on late model vehicles to not only save space and weight, but also to protect high current circuits from being unintentionally touched.

Additional Information

- 2x 20 amp M-Case slotted cartridge style fuses.
- Fuse material: copper. Housing material: thermoplastic.
- Voltage rating: 32V DC max.
- Conforms to SAE J2741 & ISO 8820-4. RoHS & REACH compliant.
- Also included in a 7pc assorted set, Part No. 34292.
